DETROIT, March 26.—The Republican dicial convention to nominate a circuit judge for Branch and St. Joseph counties, this State, after three days session and an adjournment for a week finally decided their choice by lot Friday night. Each county was represented by an equal number of delegates and each had their candidate. Three hundred and twenty-Poured Out in Unstinted Doses upon the nine ballots were taken, then resort was had to lot. St. Joseph won; Russell R. Peter, of Tthree Rivers being nominated.

Protest Against the Payment. COLUMBUS, O., March 26,-Nine members the State senate have united in a com-unication to the State auditor, wherein they protest against the payment of \$20,000 to the trustees of the Onio university, at Athens, Ohio, in accordance with a law passed last week. The senators protesting claim that this bill authorizes the payment of money not heretofore authorized by law, and in order to be valid it should have passed both branches of the general assembly by a two-thirds majority, which it failed to have W. Hawkins, commissioner of agriculture was confirmed. He will go into office next in both branches. The paper will be refer-red to Attorney-General Nash for his opin-

THE STATE DEBT.

What the Press Has to Say About the Iniquitous 100-3 Bill Now Before the

Legislature—The Tax-Coupon Section Universally Condemned as an Onirage on the People.

Columbia Journal: "If the low-tax Democrats are opposed to the 100-3 settlemen why do they not unite with the State-cred Democrats in getting a 50-4-5 and 6 bill through the legislature? Their refusal to do Tennesseans, of whatever political faith. anything strengthens the 100-3 proposition. A Legislative Fraud.

Henderson Herald: "Before we would favor the State paying one cent of her socalled debt, we would like to see what she has to show for this indebtedness. In our opinion the whole thing is a legislative fraud on the people, and should be so

Brownsville Democrat: "The tax-coupon infamy having passed the lower house of the Tennessee legislature, has gone to the senate. It has created consternation and feeling in Brownsville, and is denounced in the bittergive my support to the 100-3 bill is con-cerned, I desire to say that the only lobbying the bond speculators. Great confidence is, however, expressed on all sides in the manly integrity and firmness of Senator Ragland, whom the people still hold in their estimaprominent low-taxer, who called on me at my seat in the house, and who might have

influenced my vote but for the fact that I was raised by upright parents, who taught me to despise, with all my heart, mind and soul, the principles, as well as the authors of every species of dishonesty and repudiation. I who make people said not in the estimation as incorruptible. All eyes are turned to the State senate."

This or Nothing.

Columbia Scatinel: "The question of debt settlement now before the legislature is not one as between 100-3 and 50-4, or some will further state that I know of no one who was influenced by lobbyists, nor do I know of any lobbyists having attempted to influence right repudiation. If the low-tax eleany loosy is a saving attempted to inducted any one on this floor to support the bill, and if there is any truth in the charges of the honorable thirteen, I hope they will do themselves the honor to let the public know had some difficulty in sustaining the proposiwho it was that supported the "lobby," and tion now before them, but the low-tax ele-what votes were "secured by the lobby." Vanderbilt's letter was, therefore, quite a surprise when it was PROBABLE gives as a reason for his action that his interest in the company is at giving the time required by his duties as di-rector. Privately, he is stated to have said

bankers, who are very generally leasing wires

made yesterday by Senator Dawes, that he supported Riddleberger because he belonged id Telegraph company, on complaint of J. M. man in Virginia, and desired to call that senator's attention to a scene which had is not hostile to plaintiff. Angle has made affidavit in which he says that he and three men named either as owners or inventors of could neither read nor write, and who, there-fore, would not be entitled to vote in Massa-chusetts, had arisen and made a rather ram-bling speech, in which he advocated the paychusetts, had arisen and made a rather rambling speech, in which he advocated the payment of the State debt, and had then yielded to Riddleberger. That gentleman thereupon had a resolution offered to expel Morse, which was rejected. The man who had sought to expel an ignorant but houset colored man was now championed by the senator from Massachusetts [Dawes].

Senator Groome—Does it appear whether Riddleberger proposed to expel him because he was a colored man or because he was in 192 5400,000 in apparatus: that they are Chicago with Philadelphia and New York

wedding. The contracting parties were Mr. A. Bockner Thurston, of Memphis, and Miss Mary Washington, of Nashville. The ceremony was performed by Rev. Dr. G. Jones in the presence of a large number of friends and relatives of the bride. Mr. Thurston is civil engineer on the Memphis and Charleston railroad, is a young man of great promise, has many friends in north Alabama, where he formerly resided, and has made many more during his short residence in Memphis. The bride was born and raised in Nashville, and he connected with the oldest and most respectable families of that city, and is a neice to Mrs. W. R. Stewart, of Memphis. She is young, highly accomplished, and her beauty and lovely disposition have made her a great favorite in fashionable society. Immediately after the wedding the happy young couple took their departure for Memphis, and are now the guests of Mr. W. R. Stewart, 361 Poplar street. The bride is an important accession te Memphis society, and it is hoped the friends who welcome her to the new home will soon subdue the attachment which she feels for the old one.

DURLIN, March 26.—The people in the west of Ireland are busy working on land and very quiet, but are anxious to know the terms of the government land bill.

The large and well-filled house of Austin, Berry & Co., at 323 Main street, always has of every grade and can buy them at prices that should secure orders that might go to the east. Austin, Berry & Co. have their clothing made to order, and always know BASUTOLAND. CAPE Town, March 26 .- A fight hours duration took place at Boleka in sutoland, but with no decisive result. that the goods and make-up can be relied on.
The jeans and other staple goods are made
up in their own establishment. In furnishing goods they have a larger stock and
greater variety than any other house in the onel Carrington and several British were severely wounded.

Parts, March 26.—The steamer Wieland, from Havre for New York, takes \$100,000 in An article on Alexander III., written by Russian of high position, says the new czar will strive to maintain good relations with Germany, toward whom his attitude will be sensible, the same as was that of his father. France will enjoy more marked sympathy. The relations with Austria have the appearance of distruct. In any case a triple appearance of distrust. In any case, a triple alliance will not be seen again. The relations with England will be more cordial, probably on account of the czar's warm friendship for the Prince of Wales.

THE VATICAN. THE VATICAN.

ROME, March 26.—The pope recently ordered Cardinal Vicar to institute a strict inquiry into the sacrilegious traffic in spurious relics. Cardinal Vicar accordingly addressed a circular to the Catholic administrators through the world, intimating that no bodies have been taken from the catacombs for thirty years, and warning them against impostors. Entire osteological specimens, purporting to be the remains of early christian martyrs freshly dug from the catacombs in Rome, have been shipped to America.

shipped to America. ITALY. Nice, March 26.—A very incomplete list of persons who perished in the operahouse fire has been published. Among the names are those of the German savant. Dr. Arendt Schilling, and Mule. McZunsy, the latter said to be English. Nice is in mourning. The papers appear with black borders. The whole population of the townturned out yesthe day to attend the funeral of the victims. The spectacle was solemn and affecting in the extreme. The mayor made a speech at the cemetery, thanking the troops and firemen for the gallantry displayed, and earnealing for subscriptions to the affect. estly appealing for subscriptions to the relief fund. Several more bodies have been found in the ruins. The victims will number over one hundred. Seven sailors and a number of foreigners are missing. There are no Amer-icans among the latter.

AUSTRIA.

VIENNA, March 26.—The Presse says: "The Austrian police recently informed the Russian government that a considerable quantity of dynamite had been landed at Finill to be forwarded to Russia. The Russian authorities requested the Austrians to allow the ties requested the Austrians to allow the ties requested the Austrians to allow the dynamite to proceed as far as the frontier. There it was received by persons in the uniform of the Ru-sian police, and subsequently another body of officials came to sequestrate the dynamite. It was then discovered that the first comers were disguised nihilists, who succeeded in smuggling the dynamite into the interior." Russian connecilors will start shortly for Rome to continue direct with the vatican negotiations relative to the Roman Catholic church in Russia.

ENGLAND. LONDON, March 26.—General Wood has been appointed high commissioner of south-eastern Africa and governor of the British It is reported that only 220 persons were n the Nice theater at the time of the fire. Seven hundred and fifty thousand dollars The pigeon-shooting match between Dr. Carver and Mr. Rover, which was to have taken place on the thirty-first instant, has been abandoned by mutual consent. The steaming sent out to intercept the Australia, supposed to have on board men suspected with complicity in the attempt to blow up the Mansion house, has returned, having failed to sight the steamer.
